Feedback Analysis report of Students of Academic Session 2022-2023

The institution collected feed backs from 375 students out of 468 enrolled in the Academic session 2022-2023. The students were asked to give feed backs on the overall academic performance and ambience of the institution. Accordingly, a group of questions were framed regarding academic functionaries (Section-A) and office functions (section-B) of the institution. Besides, students were asked to give suggestions on both teaching-learning process and official / technical help from the office staff.

SECTION - A

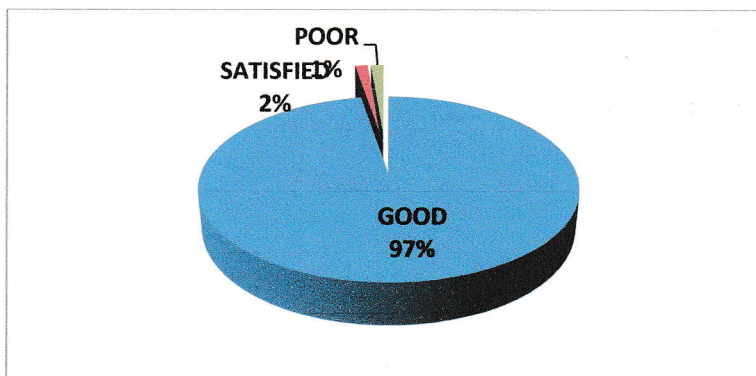

Q.1. Ability of the Teachers to make you understand the subject clearly:

96% of the students responded good while only 0.01% students are not satisfied with their teachers' ability to make them understand the subject.
